# FAR REACH RANCH

## Herd Division All-Female Sale

AT THE RANCH NEAR

**Mount Dora, Florida  
Saturday, May 28, 1955**

# FAR REACH RANCH Herd Division All

## General Information

**LOCATION** — This sale will be held at Far Reach Ranch near Mt. Dora, Florida. a map appears on page 6 of this catalog.

**TIME** — Saturday, May 28, 1955, starting at 12:30 p.m.

**HEALTH** — All of the cattle will be tested for T.B. and Bangs within 30 days of the date of the sale with the possible exception of under age heifers that will sell with their official vaccination certificates. Interstate health charts will be provided.

**GUARANTEE** — All cattle will be sold under the standard guarantee of the American Shorthorn Breeders' Ass'n, printed elsewhere in this catalog.

**TRANSPORTATION** — There are many competent truckers in the area and we will be glad to help you make arrangements.

**LIABILITY** — The guarantee and terms shall constitute a contract between Far Reach Ranch and the buyer of each lot. The sale manager, auctioneer or other members of the selling force are not responsible for the fulfillment of guarantees. Although every precaution will be taken to provide for the comfort and safety of those attending we cannot be responsible for any accidents that may occur. Accidents at cattle sales are rare, but every person must assume the risk of accident to himself. The clerk, auctioneers and sale manager were hired by Far Reach for specific tasks, promotional and clerical, and have no connection with the handling of the cattle or the condition of the premises.

**TERMS** — Cash at the time of purchase.

**HOTELS AND MOTELS** — There are plenty of good hotels and motels in the area. The ranch is 25 miles from Orlando, one of Florida's largest cities.

**GETTING TO THE SALE** — There is frequent plane service to Orlando from all directions and we will be happy to meet your plane there if notified sufficiently in advance.

**RANCH PHONE** — Tavares 192 Red.

**LUNCH** — Lunch will be served on the grounds.

**MAIL BIDS** — Those who cannot attend the sale who may wish to place bids may contact Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois; Carl O. Parker, Southeastern Representative American Shorthorn Breeders' Ass'n, 3858 Mathis St., Macon, Georgia; Bob Cody, The Florida Cattleman, Kissimmee, Florida; Don Vincent, Orlando Sentinel, Orlando, Florida; Milton Plumb, The Tampa Tribune, Tampa; or the auctioneer.

**AUCTIONEER** — C. D. Swaffar, Tulsa, Oklahoma.

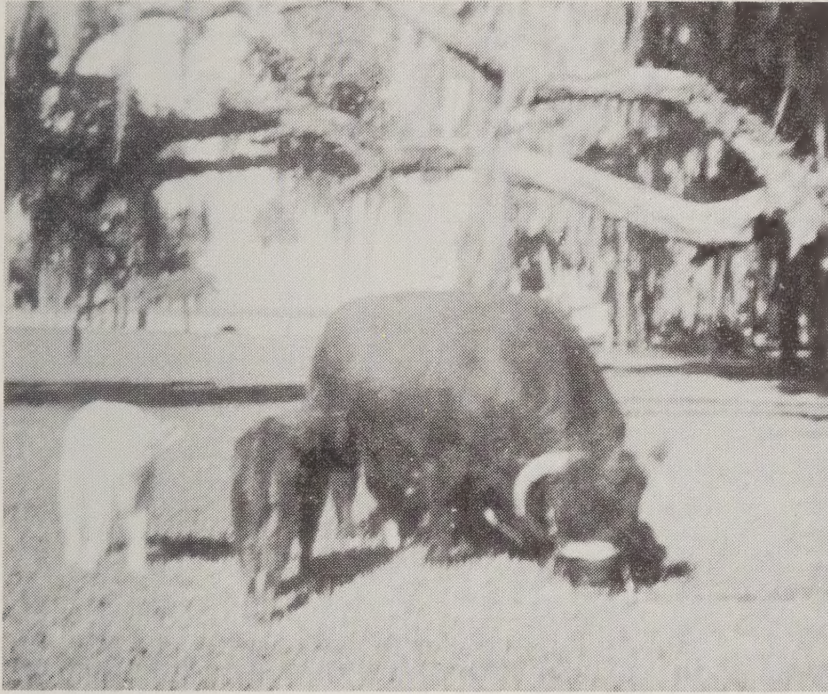

*The cow herd at Far Reach Ranch is not pampered. They run outside all year long. Calving and conception record is excellent.*

# Female Shorthorn Sale FAR REACH RANCH

## A Sale Filled with Sound Buying Investments

*Amateur snapshot of  
VIKING 4th  
at Far Reach and two  
of his first calves. Nine  
calves by Viking 4th  
sell with their dams,  
and twelve more fe-  
males sell bred to him.*

Changes in the pasture, management and general operative set-up of Far Reach Ranch has brought about the immediate necessity of reducing the herd from approximately 125 to 65 brood cows. Thus, this quickly planned auction.

We are calling this a "herd-division" sale, because that is exactly what it is. "Budge" Mead has agreed to divide his herd in half with the public. When the cattle for this sale were selected, Budge realized the success of the sale would depend upon dividing equally with the public ... in terms of quality, age and service to the famous Far Reach sires. He was particularly anxious to distribute more of the blood of Viking 4th. You will notice the large number of cows either with calves at foot or well along in calf to this great champion.

The Far Reach herd is one of the nation's strongest ... and you will have an opportunity to buy females as good as the ones they are keeping.

This is truly a cattleman's opportunity sale. It is entirely a female sale ... and with the exception of a few younger heifers, every female either has a long service date or a calf at foot, and, in many cases both. 25 females have calves at foot now or will have by sale day. Notice, too, the ages of these cows. This is no attempt to sell old cows. 43 of the females are four years old or younger.

Do not come expecting to see highly fitted cattle or record prices. These females are in their working clothes. A good many will not be halter broken. Nearly all have been in Florida two years or more, so they are perfectly acclimated to Florida conditions.

I predict cattlemen will look back upon this sale as one of the best places to have bought quality and breeding at prices to fit every cowman's pocketbook. By putting these good females with calves at foot or well along in calf to bulls like Viking 4th, "Budge" Mead will be doing a lot of good for both Far Reach and the Shorthorn breed in Florida.

DON LONGLEY, Sale Manager

VIKING 4th — A bull of this calibre really needs no comment. He was one of the most popular International grand champions of all time, and is the only International grand champion of any breed ever to come to Florida. We bought him for \$10,000 at the 1953 International sale. Everyone who sees him agrees he is a far better bull today than he was then. He is thick from end to end, stands on sturdy legs, is beautifully fleshed and has a great head. Best of all, he is passing these qualities on to every calf. He is no accident. His sire, Wheatland Viking sold for \$7,000, and among many other tops sired two bulls that sold at the 1951 International for \$2,850 and \$2,500. His dam was champion at the Pacific International as a junior calf. Prince Peter Jr. sired the 1950 International grand champion Polled Shorthorn female. Killearn Monarch 101st topped the 1946 Gallinger sale at \$7,500 and has been one of the greatest sires in breed history. His sons have sold as high as \$5,000. Over 150 daughters are in the Wheatland herd. In this sale we are selling nine females with Viking calves at foot and twelve more bred to him.

BLACKTON DRAMBUIE — One of the top sons of Reford Gardhouse's famed Crichton Drambuie, sire of the first prize get at the \$1,950 International and sire of the \$5,000 Aberfeldy Model. This bull is rugged, deep, good headed and thick. Four heifers sell bred to him. Two cows have calves at foot by him.

**Saturday, May 28, 1955**

# FAR REACH RANCH Herd Division All-

Here are coupons ready to be clipped. There is no faster way to pay for a good producing cow than to buy one with a top quality calf at foot. Where good cattle are involved, the calves properly developed will pay for the cow, and often more.

Here, too, will be an opportunity for many an alert cattleman to buy his next herd bull or to strengthen his herd with one of the first daughters of Viking 4th.

Too many purebred breeders consign tail-end bulls and females to auctions and then wonder why they only bring beef price. There are not nearly enough good bulls ... all breeds combined ... to supply the commercial cattleman's demand. Low sale averages are caused by not using the knife.

You can't raise a herd bull for someone out of a common cow. Take advantage of the quality being offered in this auction. Good bulls are selling well everywhere. There hasn't been a time in the past ten years when females were such good investments. There hasn't been a time when you could pay for a cow faster with her first calf.

Saturday, May 28, 1955

# STANDARD GUARANTEE

OF

## AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be give by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs disease of the state or county into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

# Dividing the Far Reach Herd with You !

25 cows with calves at foot  
30 others well along in calf  
3 open heifers

43 of these are four years old or younger
